### Clubhouse Renovations

Some exciting changes are taking place at our neighborhood pool and clubhouse! The bathrooms are being remodeled just in time for pool season and the clubhouse has a fresh coat of paint.

Outside on the deck you will see new sky blue umbrellas to brighten up the scene.

The outside walls will be painted and the trellises power washed and re-painted. Thank you to our devoted Los Paseos Board for their tireless and dedicated work to make this happen. Be sure to comment and thank them for all their efforts.

**President's Message**

I am excited about all of the improvements and changes the board has already made this year. From the clubhouse refresh and bathroom remodel to increasing the number of pool party areas, the board is on a mission to make 2012 a great year!

I would like to take this opportunity to introduce our new Bookkeeper/Office Assistant, Kari Brown. Kari started approx. 2 months ago and hit the ground running. A personal thank you to Margo and Kari for getting things in order for the 2012 swim season. We are off to a great start!

As always, if you have suggestions or concerns and are unable to attend our monthly meeting, please email or call us.

Regards, Jeff
