

Congratulations to the South All-Star Football Team for winning this year's Charlie Wedemeyer Youth Classic

Each year, the top senior football players from both public and private schools are chosen to participate in the Charlie Wedemeyer Youth Classic, an All-Star game that has been hosted by the Almaden Rotary for 37 years. The teams are divided into "North" and "South" teams, representing their portion of the Bay Area from Live Oak in the South all the way up to Palo Alto High School in the North.

This year's annual game held at Westmont High School proved to be as exciting as years past. With a final score of 26-21 in favor of the south, the stadium rocked until the final seconds of the game. A grueling back-and-forth struggle between the teams culminated with an interception by the South in the North's end zone to deny a North victory. The South has beat the North for the third year in a row. Sobrato and Santa Teresa High Schools had five representatives on the team.

Each year, the honor of coaching the All-Star Game is given to a local high school coach who is nominated, then voted on by his peers. This year Los Paseos members were selected to lead this very recognized and honorable event. The coaches were none other than the Brown brothers who both reside in the Los Paseos Community. Norm Brown was named Head Coach for the All-Stars and Dan Brown was the Defensive Coordinator. They dedicated the game to their late father Mike Brown and named him an honorary assistant coach on the staff. Norm Brown was a former player for the All Star Team, earning MVP honors for his effort.

You may have gotten a glimpse of the South All-Star team as they celebrated at the Los Paseos Pool on July 15th. They are a talented and respectful group of guys that well represent the Central Coast Section in football.

GREAT GIANTS STORIES EVERY YOUNG FAN SHOULD KNOW

Written by Scott and Julie Jackson

**THIS BASEBALL TREASURY IS PERFECT FOR GIANTS FANS OF ALL AGES WHO
LOVE THEIR TEAM – AND LOVE GREAT STORIES TOO**

About our neighborhood authors

Julie and Scott Jackson are both longtime Giants fans who love working together to write great stories for children. Their own kids, Ben and Amanda, are patient test subjects and pretty good proofreaders too!

Scott Jackson was born and raised in San Jose, California, (**right here in our community**) where he monopolized the daily sports page and systematically made his way through every sports book in the local library.

His dreams of a career in professional athletics doomed from the start, he turned to engineering instead.

Julie Jackson grew up in San Martin, California, in a house filled with books. She has always loved reading and writing, and she earned both a B.S. and M.S. in English at the University of California at Berkeley (GO BEARS!). She currently works as a freelance writer and editor.

Scott and Julie are inspired by their own kids, Ben and Amanda.

**Thank you for sharing these GREAT GIANTS STORIES with everyone, we
are proud to have the Jackson family a part of our community!**

AN OLYMPIAN IN OUR COMMUNITY!

Special congratulations to former LPAC penguin Scott Wertz, who swam for LPAC several years ago and still has four team records left on our record board. Now 25, Scott shocked everyone by taking first place in the 200m breaststroke at the Olympic Trials. Scott is representing Team USA in London and placed fifth in the men's 200-meter breaststroke in the Olympic Finals! We are all so proud of Scott for all his hard work and dedication to his passion for swimming. He has inspired many people along the way. Who knows? We might have some future Olympians on our LPAC team right now!
