Los Paseos Association maintains a "Wait List" of applicants for Associate Membership. The list is kept according to the date the application was received by the Association. The Association has 75 Associate Memberships. When a membership becomes available, the Association shall notify the first person on the "Wait List". They shall be offered an Associate Membership at that time. If the applicant declines the offer of membership the next in line will receive the offer. An applicant waiving the offer will lose their position on the "Waiting List" and must submit a new application for Associate Membership.

Associate Membership is granted on a one-year basis and is renewable upon payment of the annual dues. Members are required to abide by all Rules and Regulations of Los Paseos Association and changes thereto determined by the Board of Directors. Violation of these rules may result in membership being revoked. Associate Membership confers no right, title or interest in or to any of the property; or assets of said Corporation. Failure to pay the annual renewal will result in the loss of Associate Membership.

Only the individuals residing at the above address are eligible for membership. Violation of this requirement may constitute cancellation of pool privileges.
